### CYCLONE FOOD CO.

Epicureans Organize to Contr i Del-  
icacies on the Peninsula.

The real estate market being a little dull and a number of those engaged in the business wishing to make something to defray summer expenses, the Cyclone Food Co. was organized in St. Johns last Tuesday. The object of the company is to cater to epicureans only. Frog legs, crawfish and clams are to be the stock in trade of the concern. The principal place of business will be at Warrenton, six miles from Astoria.

The officers of the company are P. J. Peterson, president; Henry Smith, vice president; H. G. Ogden, secretary and treasurer; con- coctor of schemes to get the product on the market, Richard Shepard. The company is capitalized at \$25,000—with not a cent paid in. The principal market for the goods will be St. Johns.

A desolate looking tract of land has been secured and fenced with wire netting where the frogs can sing their lullabys until the time arrives for marketing the dressed legs. This frog ranch will be in charge of Mr. Ogden. He has a musical ear that can detect by the sound of the song whether the frog is bull or otherwise.

On account of his fearlessness and indifference to pain Henry Smith will herd the crawfish. All orders for these delicacies will be taken care of by Mr. Smith.

Richard Shepard will take care of the clams. He now has seven- teen varieties propagating, and within three weeks will be able to fill all orders. Horse clams wear- ing surcingle will be a specialty.

The packing department will be in charge of Mr. Peterson. Al- though of small stature Pete has a girth of eight feet when he takes off his corsets. He has a record of packing seventy-eight crawfish in sixty-two minutes last Sunday. He would have done better, but his suspenders broke.

Those who wish to subscribe for stock are invited to call on the sec- retary-treasurer at once. Every cent will be used up as fast as paid in. No stock can be obtained after the \$25,000 is subscribed for. Now is the time to get in on the ground floor. The company guarantees never to levy an assessment or de- clare a dividend.

### MRS. REBECCA MAGOON

Passes Away at Point View Sunday Morning.

Mrs. Rebecca Magoon died at the home of her son, T. J. Magoon in Point View at 5 o'clock Sunday morning, July 29, at the advanced age of 78 years, 5 months and 14 days. Mrs. Magoon was an early settler in Oregon, and had resided at Gaston for a period of 28 years, prior to her removal to this place. She was the mother of 13 children, eight of whom are living, as fol- lows: Mrs. Jane Lott, St. Helens; Mrs. Ellen Mills, Veronica, Ore.; B. G. Magoon, Portland; Mrs. Ida Potter, Fort Stevens; Fred L. Ma- goon, Plainfield, Iowa; Mrs. Fannie Smith, Nashua, Iowa; E. F. Magoon of Portland, and T. J. Ma- goon of St. Johns. All of these children with the exception of those residing in Iowa were with their mother when the end came. Mrs. Magoon was a kind, christian lady, well beloved by all who knew her. Her husband preceded her to the grave a number of years ago.

The remains were embalmed by the Blackburn Undertaking Co. and shipped to Gaston for inter- ment Tuesday.

### Unnecessary Expense.

Acute attacks of colic and diar- rhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could ar- rive. It has never been known to fail, even in the most severe and dangerous cases and no family should be without it. For sale by Jackson's Pharmacy.

### For Rent

For \$12.50, a 6-room modern house on Richmond street, 3 blocks north of school house. Apply to Shep- ard, Dobie & Peterson.

### THE LOCALS

Went Down in a Grand Defeat Sun-  
day Afternoon.

The local base ball club met their Waterloo at the hands of the Trunk- makers of Portland Sunday after- noon in the presence of a large crowd of spectators. The Trunk- makers have one of the best amate- ur clubs in the metropolis, and the way the big, husky fellows swatted the ball was a caution. The home team played fairly good ball, but were outclassed by their opponents. It is evident that the locals need more practice, especial- ly with the stick, before they can hope to win from such fast com- pany. Lee pitched a steady game throughout, but the visitors experi- enced little trouble in connecting with his delivery.

Gardner officiated as umpire and was impartial in his decisions. It looked for a time as though he was going to resign his position owing a misunderstanding with one of the locals, but he was induced to finish the game much to the satisfaction of the fans, who think he is the best ever.

The score was 16 to 2 in favor of Portland. Following is the complete score, and will tell you what each player did:

### FIREMEN

Had a Pleasant Outing on Suavie's  
Island Sunday

A number of the local fire fighters with their wives and sweethearts enjoyed a little picnic on Suavie's Island Sunday. The launch Rover was chartered for the occasion, and about sixty-five persons were con- veyed to the landing place on the island. The St. Johns band was taken along to enliven the affair with sweet strains of music. Re- freshments were in no wise forgot- ton, and the way some of the pic- nickers made the dainties disappear was amazing. Bathing and differ- ent kinds of diversions made up the day's pleasure. Prizes were awarded in some of the contests, which were of an interesting nature. The prizes were won as follows: Mile swimming race, M. E. Lerich; 100 yard dash, H. Switzkey; 50 yard ladies' race, Miss Sara Cowles; running broad jump, Tom Carroll; wading race, Tom Glover; base ball game, hand boys, score 6 to 4. The day throughout was full of pleasure for the participants, and all returned from the day's recrea- tion, feeling glad that they had been there.

### To Water Users.

Water used through hose for sprinkling yards or sidewalks or washing porches or windows must be paid for in advance, and used only between the hours of 5 and 8 a. m. and 5 and 9 p. m. It must not be used for sprinkling streets. Anyone using water contrary to these rules, or wastefully, will be shut off without further notice. St. Johns Waterworks and Lighting Co., P. H. Edlefsen, Superintendent.
